600X1200MM

Our 600X1200 size GVT/PGVT tiles collection is a game-changer in the flooring industry. These tiles offer the perfect blend of functionality and aesthetics, making them popular for modern homes and commercial spaces. With their durability, low maintenance, and visually appealing designs, these tiles are the future of flooring. So, if you want to revamp your space or build a new one, consider the Simonza collection.

÷ 8.5MM

The 8.5mm thickness of GVT/PGVT tiles adds more depth and texture to the designs, making them visually appealing. The glass layer on top of the vitrified body gives these tiles a lustrous finish and luxurious and elegant looks. This makes them a popular choice for interior designers and architects looking to create a statement with their designs.

FEATURES

Are you looking for low-maintenance and long-lasting solutions for your homes? This is where Simonza tiles are the best choice. By investing, you can save yourself the time and hassle of frequent repairs and replacements. Moreover, Our tiles are resistant to stains, scratches, and fading, ensuring that your space looks as good as new for years.

Fire Resistant

Our tiles are non-combustible and will not burn, melt, or give off toxic fumes when it is exposed to fire.

Impact Resistant

Our tiles have good strength and therefore, can withstand intense force or shock applied at the surface.

Water Proof

Our tiles are impervious to liquids, their colours won't fade even if spills and puddles sit for a long while on your floors or surfaces.

Stain Resistant

Because of its low porosity, vitrified tiles do not stain easily. Even coffee, wine, and the muddiest messes cannot deteriorate it.

Scratch Resistant

Our tiles are scratch-resistant which means that they will continue to look naturally amazing even after years of heavy traffic.

Simpliclean

All tiles are easy to clean with a broom, vacuum, or wet mop. Our tiles are easier to clean and maintain.

Anti Skid

Anti-skid tiles are designed in a way to lessen the chances of you slipping due to the tile surface.

Weather Pro

Our tiles won't freeze, fade or crack due to cold weather or any other extreme conditions or temperatures.

APPLICATION

Our collections are not just limited to your living room or kitchen floors; they can also be used to create stunning accent walls, kitchen backsplashes, and even tabletops. These tiles come in various sizes, colors, and patterns, giving your commercial and residential space a unique touch.

High Glossy COLLECTION

The glossy finish adds a touch of elegance to your home and reflects light, making your space appear brighter and more spacious. This is especially beneficial for small rooms that lack natural light. The reflection of light also adds depth and dimension to your flooring, making it look more visually appealing.

Another significant advantage of our high gloss collection is that they are incredibly easy to clean and maintain. The glossy surface makes it difficult for dirt and dust to stick. A simple wipe with a damp cloth is all it takes to keep them looking as good as new. Additionally, these tiles are resistant to stains and scratches, making them a durable flooring option.
